

# Royalty-Free Photos

on CD-ROM

Welcome to Image Farm®, where we understand the needs of today's sophisticated design world. It's our mandate to provide designers with only high-quality and useful royalty-free photographic images. All of our images are professionally photographed and reviewed by a selection team of design professionals before making it into our collection.

All Image Farm® discs are thematically grouped, are Mac and PC compatible, and are usable with virtually all graphics software. To view thumbnail images from our entire image collection, please select from the discs listed below. To return to this index page at any time, just click on the barn on any page. If you would like to place an order, please call us toll free at **1-800-GET-FARM** and we will process it right away.

This magnificent collection of desert images reveals colorful sand and rock formations, cracked earth, dry grasses, giant cacti, fractured rock, and layers of natural sediment.

This eclectic mix of natural elements, as well as the architecture and art that they inspire, vividly displays the desert's variety and beauty.

Berlin is the perfect setting for a series of images enriched by history, culture, art and political upheaval.

A professional photographic eye, combined with a passion for the city, enabled Image Farm™ to capture some of the world's most vibrant graffiti, descriptive physical decay, and miles of distressed and weathered surfaces.

8.5"x12" @ 72 dpi TIFF (1.5MB)
- Fully compatible with Macintosh and Windows
- Royalty-free

This spectacular collection of skies and cloudscapes features classic images of cloud-spotted brilliant blue skies, ominous dark clouds, serene and tranquil sunsets, cloud reflections in skyscraper windows, majestic horizons and aerial vistas. You'll even find subtle, blue cloudless skies, nearly impossible to create with design software.

Start your browse.
